

School Work

It's winter season and it's cold. I'm in the music room with my classmates. I need to practice the piano after school.

We are going to have a *presentation* for Christmas *celebration* at school. I'm really *excited* about it.

When I get home, I will be doing my math homework. It's my favorite subject. I like problem solving. Someday, I will be a great *engineer*.
